

Come Grow With Us!

We are an award-winning design-build-maintain landscape company located in the heart of Chicago, looking for experienced Account & Project Managers in both our maintenance and construction divisions.

We serve a wide range of clients, including Millennium Park, O'Hare & Midway Airports. Our company's success has been recognized through repeated inclusion in Inc. Magazine's "Inner City 100" list of America's fastest-growing urban businesses, and Lawn and Landscape Magazine's Top 100 Companies. We are very proud of our LEED-certified Platinum headquarters, our urban location, and the diversity you will find at all levels of our company, from our field staff to our senior team.

Account & Project Managers are the face and voice our clients learn to trust. Through landscape production knowledge, financial savvy and sales ability, our Managers provide the leadership that fuels new business and ensures exceptional customer service through all stages of the job.

The ideal candidate will demonstrate a high level of energy and flexibility to meet a changing work day. From preparing estimates, to coordinating and scheduling materials, labor and subcontractor tracking our managers work to maximize overall client satisfaction while maintaining fiscal accountability and project timeliness.

A minimum of two years experience in a similar position and a college degree in a related field is preferred. Knowledge of landscape construction principles and project management combined with knowledge of plant material and horticultural practices and sales. A proficiency or willingness to work with MS Office applications as well as construction databases is essential. Ability to manage multiple projects, deadlines and demands and a Class C driver's license required.

EEO employer. Female and minority applicants encouraged to apply.
